

# The STASH TEA CATALOG

WELCOME TO OUR WORLD  
OF TEA!

*At Stash Tea, we strive to bring you exceptional teas and unique tea accessories to enhance your tea drinking experience. We invite you to select from more than 200 different varieties and blends of black, green, oolong, white, herbal, and flavored teas.*

*Stash begins with excellent tea leaves selected from the world's premier tea gardens, and herbs and spices from the best sources.*

*Only pure, 100% natural ingredients are used in Stash Teas. Our master blenders combine these ingredients to create teas of exceptional quality and flavor.*

*Our buyers personally select teapots and other unique accessories from the United States and around the world so that you can easily choose just the right teaware or special gift. We also offer a selection of tempting cookies along with gourmet sugars and honeys to complement your favorite tea.*

*We encourage brewing a cup or a pot of tea as a respite from today's hectic world. Taking a moment to enjoy tea is an opportunity to slow down and savor the moment. And, if your travels bring you to our beautiful state, please come by The Stash Tea Store for a visit and a cup of tea. We promise to have the kettle on.*

*Our best to you,*
