

Our passion for quality teas is the hallmark of Stash Tea. We purchase from the premier tea estates of the world, sampling hundreds of teas but selecting only a handful for our catalog. We search for unique, often rare, and above all, exceptional teas to share with you. And for our herbal and flavored blends, we purchase herbs and spices whole from the world's best sources and mill them right before blending for superior flavor.

Visit our website for an even larger selection of Premium Loose Leaf Teas.
