CHINA OOLONG

[68457](#) [280457](#) [168457](#)

One of the world's great teas, oolong is semi-oxidized with qualities of black and green teas.

PU-ERH

[68458](#) [280458](#) [168458](#)

An ancient medicinal tea from China's Yunnan province, with a unique earthy flavor.

GINGER GREEN

[68456](#) [280456](#) [168456](#)

Aromatic ginger lends a distinctive tang and aroma to traditional Japanese green tea.

CHRYSANTHEMUM

[68454](#) [280454](#) [168454](#)

Chrysanthemum's yellow petal adds a flowery note to Yunnan Pu-erh tea.

GENMAI GREEN

[68450](#) [280450](#) [168450](#)

A convivial drink in Japan shared at home with friends. This unique tea is made with green tea and brown rice. Light golden color and nut-like flavor and aroma.

GREEN TEA AND GINSENG

[68455](#) [280455](#) [168455](#)

Ginseng is reputed to enhance performance under stress and boost immune response. Combined with Japanese green tea, it creates a bracing, slightly astringent drink.

SPECIAL OCCASION GREEN

[68452](#) [280452](#) [168452](#)

Blend of fine green teas, including Matcha, the powdered leaf tea used in the traditional tea ceremony. Pale golden color and delicate flavor with a hint of sweetness.

KUKICHA ROASTED GREEN

[68451](#) [280451](#) [168451](#)

Also called twig tea, Kukicha is made from the prunings of the tea plant, roasted to bring out its distinctive flavor. Rich nutty taste and dark brown color.

JASMINE GREEN

[68453](#) [280453](#) [168453](#)

Jasmine is picked in the heat of the day when the tiny flowers are closed tight. The blossoms open in the cool of the evening when they are blended with the green tea leaves. A fragrant, refreshing beverage.
