

FRENCH PILLIVUYT TEAWARE

Classic style and impeccable quality distinguishes this teaware from Pillivuyt, a French company producing fine culinary porcelain since 1818. All pieces are sturdy and substantial, easily transitioning from casual to formal, depending on your desire. Dishwasher and microwave safe. Made in France.

Teapot (16 oz.)

**PERSONAL TEA KETTLE** *by Chantal*

In these energy-conscious days, this smaller tea kettle makes perfect sense. Use it to boil just the right amount of water for your Stash Tea. Its enamel on steel construction minimizes mineral build-up and prevents rust. A pleasant harmonic whistle signals when the water is boiling. Holds 24 oz.

Onyx
