

**BODUM WHITE ELECTRIC KETTLE**

An efficient addition to your kitchen, this electric kettle boils water quickly with 1500 watts of power. Cordless design allows the kettle to be lifted from its base for convenient filling and serving. An exterior water gauge for easy measuring and an automatic shut-off. Kettle is made of sturdy, durable acrylic, and it also includes a removable filter. Hand wash the kettle; do not submerge base in water. Holds 56 oz.
